- Rhino
- Adobe Illustrator
- Adobe Photoshop
- Adobe InDesign
- Microsoft Suite
- SketchUp
- Lumion
- Enscape
- Model Making
- Communication
- Collaboration

Design Experience

Sept. 2022 - Nov 2022

The Linkage

Studio I Fall 2022

- Conducted a sensorial survey site analysis of the site
- Developed site diagrams that showed programs around the site
- Re-defined the urban void at our site while providing a rather specific architectural piece to benefit the community

Jun. 2022 - Oct. 2022

NOMA 2022 Student Design Competition

Participant

- Created a master plan that serves as a cultural center to preserve the history of North Nashville and a new bridge to serve as a landmark and monument for the community
- Developed architectural diagrams that showed circulation
- Conducted site analysis of programs surrounding the site and traffic conditions.

Jun. 2021 - Sept. 2021

NOMA 2021 Student Design Competition

Participant

- Created a master plan for a complete community
- Conducted site analysis on given site
- Conducted case studies to develop a design concept

Jun. 2021 - Jul. 2021

Perkins+Will 2021 Summer Mentorship Program

Participant

- Considered the role of a designer in shaping communities in which we live
- Gained a better understanding of the key themes that drive the firm
- Created connections and learned from peer participants and mentors
- Gained knowledge and beneficial insight from fellow peer participants and mentors

Other Experience

Sept. 2017 - Present

Secretary

Grand Bahama Bonefishing

- Manage incoming and outgoing email to clients
- Manage social media platforms
- Manage bookings for clients

Education

2020 - present
